

Minutes of the Executive Board Meeting and Member Meeting March 16, 2017

Executive Board Members Present: Jim Davis, Linda Branim, Theresa Keyser, Ernie Weidenberger, David Tedrahn, Susan Holick, Tom Calhoun

Other Members Present: Rick Ericson, former historian and keeper of the scrap books; Marilyn Hall, merchandise coordinator.

Call to Order: 5:00 P. M. Garland County Library

Jim Davis convened the meeting by summarizing concerns about walkie-talkie's, compiling and storing photos, and Facebook possibility.

Hike Chairperson—David Tedrahn led a discussion on 2-way communication devices. After much research (ranger station in Jessieville, Dennis Ward-satellite GPS units, on-line comparisons), David made the recommendation to purchase 4 units, 4 batteries and 2 chargers.

The brand will be Motorola or Cobra with a radio range of 35 miles. The cost will be an estimate of \$160-170. All board members agreed and the motion was passed. David will buy the items and agrees to "house" them for any hike leaders who request to use them.

Historian—Ernie Weidenberger led a discussion about the storage of 18 Scrap Books representing about 18 years of club hiking. The questions are: 1. Should we keep the books to preserve the history? 2. Have the pictures put in digital form and store on external hard drive? 3. Cost involved to digitize? 4. Where to store the old books? 5. The physical scrapbooks could possibly be donated to a local library after we do any digitizing.

Rick Ericson, historian for many, many years reminded us how they must be kept in climate controlled condition and that they take up much space.

Jim Davis will take a scrapbook to "Photo Finishers" to get an estimate of the cost to digitize them. He will give a report at the next meeting.

Marilyn Hall, Merchandise coordinator, submitted an order for new hiking shirts.

(See the addendum)

Historian—Ernie brought up the question of whether to have an OMH Facebook page.

Discussion ensued: *upkeep *control * We decided to look for a volunteer among our membership to administer a OMH Facebook page. Tom Calhoun, Webmaster/hike flash coordinator, will put an announcement in the hike flash. If interested in volunteering, contact our president, Jim Davis.

Merchandise Proposal

A proposal was made by Marilyn Hall, merchandise coordinator, to:

1. Purchase 35 Gildan Performance shirts of all sizes to restock our current supply.
