Saturday, May 13, Lake Ouachita Geo-Float Trip (On pontoon boat, Easy)

Trip Coordinator: David Tedrahn (omhhikerdt@gmail.com)

We have reserved a Lake Ouachita State Park pontoon barge and ranger to lead a geologic field trip on Lake Ouachita from 9:30am to noon on Saturday, May 13. This trip was put together by the Army Corps of Engineers (constructors and managers of Lake Ouachita) and will visit a number of geologic outcrops around the lake. Cost will be \$11.00 per person and reservations will be on a first come, first serve basis. Please let David know ASAP if you wish to join in on this trip.
