Trip Leaders: Vanessa & Jim Edgar vedgar455@yahoo.com [501-922-4992](tel:501-922-4992)

Our February overnight trip will be in the Ozark-St. Francis National Forest just north of Mountain View AR. We have reserved two houses in downtown Mountain View from Pinewood Cabins. Both houses have bedrooms that can accommodate singles and couples along with full kitchens. The cost of the lodging will vary depending upon the total number of people but should be quite reasonable.

In addition to the houses they also have a variety of cabin and motel accommodations all within a 3 block area for anyone who does not want group housing. Pinewood Cabins [103 W Washington, Mountain View AR 870-269-5900 www.pinewoodcabins.com](http://www.pinewoodcabins.com)

We plan to have one group dinner with everyone bringing food to share and one dinner at one of the local restaurants in Mountain View. There are restaurants within walking distance of Pinewood Cabins. You will be responsible for all other meals and snacks.

The plan is to drive up (about a 3 hour drive) Tuesday morning do a short hike that afternoon, a longer hike on Wednesday and another short hike on Thursday morning before driving home that afternoon. We will be hiking portions of the scenic North Sylamore Creek trail and a section of the Syllamo Bike Trail.

Tell us: if you plan to come on the trip - and if you want to stay in the group housing - or if you will be making your own reservation. Accommodations in the group housing will be first come, first served – (so let us know soon), after the houses fill up you will need to make your own arrangements. Once we have an exact head count we will let you know the amount to pay.
