### Do you know about the Ozarks?

The Club would like to be able do more overnights or perhaps day hikes in the Ozarks in the future. We have limited information on this area in the Club archives, but we undoubtedly have a great deal of information in the minds and files of our members! Your web master, Tom Calhoun, has volunteered to collect this information and compile it for future use. Many of you have been on trips to the Ozarks in the past, and some of you have led trips. **Of particular value is information concerning lodging and restaurants (or any type of eating establishments) in the vicinity of the trail.** We are also interested in specific hikes and trail heads that were used in the past.

*Please search your files and your mind and send what you have to Tom.*

### Mountain Valley Spring Water/FoOT Tee Shirt Update

Kaitlin White with Mountain Valley Spring Water has told us that they are in the process of ordering more t-shirts, since they have almost sold out the first order! It will be a couple of weeks before they have them in. This order will be all short sleeved shirts.

They have also updated their web site so you can order online. Once on their web site click [Buy Online](#) in the

top right corner of the home page and then scroll below their bottled water products to order the t-shirts. This provides excellent exposure for FoOT on their web site. *Shipping will be free* so there is no extra cost whether you order online or purchase at the MVSW Visitor Center in downtown Hot Springs.

A significant portion of the proceeds from the sale of these shirts is donated to FoOT. FoOT greatly appreciates this new partnership and what it means to the maintenance of the Ouachita Trail.

Bo Lea, FoOT President

## **We need a few good...**

**...Hike Leaders!** If you are a regular hiker or aspire to be, we need for you to volunteer to be a Hike Leader. It's some work, but you will really get to dig a bit deeper into hiking in general and the wonderful hiking opportunities in Arkansas. You may want to start with Saturday hikes to get your feet wet (which can happen when you're hiking). Saturday Hike Leaders may want to move to Thursdays. If you have an interest please contact Hike Chair, Dave Tedrahn. He can team you up with an experienced Hike leader, if you'd like, to help select and plan your first hike.
